

Become a Member

EIGA, as one of the oldest Industrial Gases Association, represents today most European and several non-European companies **that produce and distribute Industrial, Medical and Food Gases.**

In this spirit EIGA developed over the past 80 years and has grown to currently more than 140 members.

Membership of EIGA is granted to those persons and legal entities that **fulfil the criteria** – even when based outside Europe - and that are duly approved by the EIGA Board of Directors.

An EIGA membership does however give you the opportunity to get access to a professional networking amongst experts from the largest and most competent companies in the world with a broad background from gas manufacturing, analyzing, filling, distributing etc.

Furthermore- as EIGA member- your staff has full access to the voluminous, valuable EIGA library with technical documents, training packages or safety alerts etc.

Representatives of your company will be personally invited to all EIGA events, to build up and enlarge their network with people not only from Europe but from global companies due to our good cooperation with other regional associations e.g. from Japan, US, Singapore and Australia.

If there are individual problems to be solved in your plants or e.g. with your authorities regarding regulations, our experts will give you advice or written support.

Become an active participant to all EIGA events and use all our written information and by that you assure to get all benefits of our services.

How to apply for EIGA membership:

The steps are:

Send by normal mail an **informal letter on your company's official paper** to EIGA, applying for membership.

Please state that you are a **producer and distributor of industrial** and/or medical **gases** or CO₂ and that your company has a **safety management system** in place. If available, ISO certificates should be mentioned and company brochures attached to your letter.

Please confirm that your company will **apply to EIGA's Mission** and guidelines (see our website).

You should also indicate your **approx. annual turnover** with industrial/medical gases or carbon dioxide as our active members are sorted by turnover /year:

- Up to **40 Mio € / year** currently your fees are **6,000 € / year**.
- Turnover **between 40 to 500 Mio € / year**, fees are **12,000 € / year**.

The letter should be signed by your managing director.

To be safe, please **fax it additionally** to EIGA, fax no +32-2-219.85.14

Your application letter will be presented to the EIGA's Board of Directors for approval (January and May/June each year).

The Board's approval must be ratified by the Annual General Meeting (AGM) in next May or June.

After these two steps you will receive all membership forms and the invoice for the complete running year.

Please **send your application for membership** to:

Mr. Frank H. Finger, General Secretary
EIGA
Av. des Arts, 3-5
1210 Brussels
Belgium

In case of queries please do not hesitate to contact him at any time (f.finger@eiga.eu).
